Licence condition number not complied with ▼
M4.1
Summary of particulars of the non-compliance ▼
Operations commenced on 4 November 2022 and, while the operational noise monitoring was completed within 6 months of this date, the noise monitoring report was not able to be finalised and submitted within the 6 months period required.
Further details on particulars of non-compliance, if required ▼
Number of times occurred ▼
1
Date(s) when the non-compliance occurred, if applicable ▼
Cause of non-compliance ▼
A number of factors unavoidably delayed the completion of the operational noise monitoring, and hence, the finalisation of the noise monitoring report. These included: (1) initially low level of interest in offsite landowners in participating; (2) wet ground conditions delaying equipment deployment; (3) weather and the requirements to exclude data obtained during rain; (4) malfunctioning of logger equipment; (5) limited availability of skilled personnel who need to analyse data.
Action taken or that will be taken to mitigate any adverse effects of the non-compliance ▼
Newtricity Developments worked with the consultant who carried out the noise monitoring to have the report finalised as soon as possible for submission to the EPA and DPE.
Action taken or that will be taken to prevent a recurrence of the non-compliance ▼

D. Statement of Compliance - Load Based Fee Calculation

If you are not required to monitor assessable pollutants by your licence, **no data** will appear below.

If assessable pollutants have been identified on your licence, the following worksheets for each assessable pollutant will determine your load based fee for the licence fee period to which this Annual Return relates.

Loads of assessable pollutants must be calculated using any of the methods provided in EPA's Load Calculation Protocol for the relevant activity. A Load Calculation Protocol would have been already sent to you with your licence. If you require additional copies, you can download the Protocol from the EPA's website or you can contact us on telephone 02 9995 5700.

You are required to keep all records used to calculate licence fees for four years after the licence fee was paid or became payable, whichever is the later date.
